**TO WHOM SO EVER IT MAY CONCERN**

It's with pleasure that I am writing this reference letter for Mrs. Rakhee Mediratta who had visited Kamalaya Wellness Sanctuary, Koh Samui under international visiting practitioner capacity to provide special treatments such as Neuro-Lymphatic Drainage, Osteopathy and Cranial Osteopathy to our prestigious guests and founders of the company.

Rakhee first visit was from 23<sup>rd</sup> Dec 2022 to 1<sup>st</sup> Jan 2023 and her second visit is 12<sup>th</sup> Feb to 18<sup>th</sup> Feb 2023. During both her visits we found Rakhee to be highly professional, skilful, adaptable with positive attitude to support this occasional work at Kamalaya.

Kamalaya will be surely inviting Rakhee for future visits and wish to continue building this work relationship further based on requirements. We wish Rakhee all the best in her future endeavours.

Sincerely yours,

Chaiwat Kulaekaluk
