

Dates 5th January 2024

TO WHOM SO EVER IT MAY CONCERN

I am delighted to provide this letter of reference for Mrs. Rakhee Mediratta, a highly qualified Wellness Practitioner proficient in various modalities. Mrs. Mediratta contributed significantly to our team during her engagement from December 17th to December 21st, 2024, where she served as a master trainer alongside Dr. Perrin for the Neuro Lymphatic technique, training our therapists.

Additionally, Rakhee demonstrated her expertise as a visiting practitioner from December 22nd, 2023, to January 2nd, 2024. During this period, she skillfully attended to our VIP clients, employing a diverse range of techniques and methods.

Rakhee training capabilities proved to be exceptional, providing our team of therapists with valuable insights and knowledge. Despite her demanding schedule, she successfully balanced her commitment to training our team and performing as a visiting practitioner.

We are genuinely grateful for Mrs. Rakhee Mediratta's dedication and professionalism. Her willingness to contribute to our team, coupled with her outstanding training skills, has left a lasting impact. We eagerly anticipate the opportunity to host Mrs. Mediratta again for future training sessions and visiting practitioner engagements.

Sincerely,

Gopal Kumar
General Manager & Director of Wellness Development
